

## Natural Shampoo & Natural Lotion

**NATURAL SHAMPOO & NATURAL LOTION** are made for your pets, dog & cat, and owner's skin health. Some ingredients of shampoo and lotion containing synthetic surfactant, preservatives and additives can cause pets to suffer from dandruff, dry hair, and/or licking rough skin. The residues of those ingredients after washing may affect human and pets to cause atopy, eruption and internal organ diseases. However, **NATURAL SHAMPOO & NATURAL LOTION** can be safe for pets and pet owners since all ingredients are natural. **NATURAL SHAMPOO & NATURAL LOTION** can also be disintegrated completely after draining. These are the environmentally-friendly products.
